Presentation Community College

Terenure Park

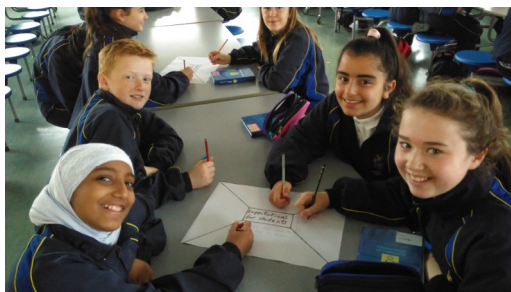

Presentation Community College is located in the heart of Terenure, Dublin 6W. We are a post-primary school operating under the auspices of the City of Dublin Education and Training Board (CDETb).

Our mission is to provide high quality education within a caring and creative community which values each individual and enables everybody to reach their full potential.

Presentation Community College is committed to success, raising expectations, providing opportunities and striving to meet the needs of all of our students. The college challenges all students to aim high, not only in their academic work but also in the hopes and values they will carry forward as they shape the community and environment of the future.

We value the wide and varied talents and abilities of our students both inside and outside of the classroom. Students are encouraged to become involved in all aspects of school life—academic, sporting, cultural, creative and social. We believe strongly that this serves to enhance the students' experiences in school and promotes self-confidence, self-esteem and wellbeing.

Presentation Community College proudly celebrates the many achievements of our students!
